Dear Friends,

Almost 100 years ago, in 1918, The Cincinnati Scholarship Foundation (CSF) was founded by some very forward-thinking Cincinnatians who realized the value of education to their community. Almost 35 years ago, I became the President of the CSF, thanks to Jim Weiler who at the time, was Chairman of the CSF’s Search Committee charged with filling the vacancy at that agency position. Little did those Cincinnatians, Mr. Weiler or I realize that in 2018, the CSF would grow to become an organization that has seen almost 50,000 local students receive financial assistance in pursuing their goal of a college education. And that tens of millions of dollars would have been awarded to those local students to help them achieve that goal.

I’m very proud of the fact that since 1983, the organization has grown from administering 12 scholarship funds to one that now administers over 120 scholarship funds and has provided over $40,000,000 in scholarships to local students. What I’m not proud of is that every year the CSF has to turn down as many applicants as we award scholarships to local students over 120 scholarship funds.

As a scholarship donor, your generosity will live on in the students that you help. HELPING US HELP OTHERS HELPS EVERYONE!

Sincerely yours,

- Thomas Hayden, Chairman
