In the 2018-2019 Academic Year, 1094 Students were AWARDED a total of $1,806,765 in need-based scholarships.

Unfortunately there were 332 qualifying students with an aggregate need of $3,745,000 who could not be helped due to lack of scholarship funding.

See Page 7 to learn how you can help.
The Cincinnati Scholarship Foundation (CSF) has spent much of 2019 working to upgrade technology platforms to enhance the application and award processes. As the organization has grown over the years, the need for improved systems has grown along with it. The staff has coordinated with the Board of Directors to build requirements, develop an RFP and identify potential vendor solutions.

This effort would not have been possible without the efforts of Board Member Terry Stein who has dedicated his time and expertise to helping to improve this critical function for the organization. A new integrated technology solution should be operational in early 2020 and promises to provide improved speed, functionality and reporting.

The academic 2018-2019 year marks another year of helping students to reduce some of the financial burden of attending college:

- Because of generous donors like you, 1,095 college scholarships were awarded totaling more than $1.8 million
- While there were 1,495 new qualified students applying, CSF was only able to provide new awards for 461 students
- As in past years, the gap between need and award is unfortunate and highlights the continual need for additional support and donations

2019 has also seen CSF move to a new home in downtown Cincinnati. Thanks in large part to John Barrett and Western & Southern Financial Group, a larger and more functional location was identified and moved into in November. The new office is located at 324 East 4th Street.

None of this would be possible without the generosity of donors, combined with the educators, counselors and children's advocates of Greater Cincinnati. It's a community effort that makes our mission at CSF achievable. Thank you for your ongoing support of this cause.

Finally, I would like to extend a sincere thanks to the staff of CSF for their tremendous dedication and effort in 2019. The work they do every day is making a difference in the community and in the lives of thousands of students every year.

Sincerely,

Travis Schraffenberger, Chairman
CSF Board of Trustees

### HOW TO START A SCHOLARSHIP FUND

If you would like to join the list of individuals, families, and organizations in helping Greater Cincinnati area students in achieving their dream of attending college, there are three way to establish a scholarship fund:

- **Permanent Restricted Contribution or Endowment**
  
  Required by donor restrictions, or by law, to maintain the contribution in perpetuity. The principle can not be spent, only the income earned.

- **Temporarily Restricted Contribution**
  
  Use of this fund is limited by donor-imposed time or purpose restrictions. The entire contributed amount can be used for its restricted purpose.

- **“Pay-As-You-Go” Fund**
  
  Requirements are set up and the amounts to be awarded are predetermined and agreed upon by the funder and the CSF. Payments are made on an annual or semi-annual basis.

### Benefits

- CSF verifies with the college or university that no funds will be replaced upon awarding of a scholarship.
- A personal interview with the applicant when appropriate
- A required thank-you note sent to the donor from the beneficiary
- Semi-annual reports of student progress

Thank you!

I am the CSF

From the bottom of my heart, I want to say 'thank you'. Your generosity and continuing support of my education has allowed me to pursue my life-long dream of working at NASA.

Marysa Addis, 2020

I will be the first person in my family to graduate from an accredited university in the United States. Due to this, I am very grateful for the opportunities that Xavier has given me. I want to thank you again for your generous scholarship that funds my education. It has been such a significant blessing in my life.

Mariam Ajmal, 2021

I am writing this letter in order to thank you not only for that this award is helping me to accomplish. Without your generosity, I would not be able to remain in college and I would not be making a future for myself.

Sophie Dunham, 2021

I am going to be a senior this coming year as a Health Sciences major. I will be attending Butler’s Physician Assistant Master’s program starting in May 2020, and I am that much closer to helping my future patients. It is with your help that I am able to do this.

Madeline Peters, 2020

I am writing to you today to express my continued thanks for your contribution to my education. Simply put, my education and the opportunities that surround it would not be possible without your financial assistance.

Zach Banks, 2022

The only way to show you how appreciative I am is by working hard and making the most of the opportunities I now have available to me. By investing in me, you’ve shown you believe in how successful I can be and what I have to offer.

I wanted to thank you for supporting my education once again. Your generosity of this scholarship has given me so much more than money - but rather enabling me to really grow as an individual. I could not be more excited to get back to classes and continue to build a career for myself.

Bennett Grothaus, 2022

Your scholarship will help me to be able to cover costs for my tuition without having to accumulate loans. This will set me up to start life on the right foot. So thank you again for selecting me to receive this scholarship.

Wesley Howard, 2023

Without a doubt, this scholarship has helped reduce the financial burden placed on my family and me, allowing me to pursue more time on my studies, research, and extracurricular activities that will benefit me in the long run. Your generosity is truly a blessing.

Santonio Jurez Long, 2023

I want to say thank you so much for helping me. This scholarship has really made it easier for me and my family for the past 3 years. It has helped me purchase a laptop and has helped with my school tuition.

Gerald Ndayishimiye, 2020

It is an incredible feeling to be the recipient of this award. This amazing financial gift makes it possible for me to attend the University of Cincinnati and is such a relief to me, as well as my family.
